

## SUPER PUPPY CLASS INFORMATION

Enlightening, educational, positive, respectful & relaxed dog training

Setting your pup up for a life of success with you.

- 🐾 We can advise on any topic puppy/dog related.
- 🐾 Teachers are fully experienced and highly qualified, in dog training and behaviour.
- 🐾 Teaching includes the fundamentals with work focusing on: sit, down, recall, walking on a loose lead, leave it, stays, confidence building, good manners and social skills including time to socialise.
- 🐾 Everyone is coached according to the skills they need; we help you take your dog's abilities to the next level and beyond.
- 🐾 Open enrolment so you can start any time; please book ahead.
- 🐾 Flexible attendance - if you need to miss a week, just inform us and then tag it onto the end until you complete all 6 lessons.
- 🐾 We don't hold class if it is raining hard (we text an hour beforehand if cancelled) – the fun method we use will ensure your dog will still react appropriately to you regardless of the weather he or she is trained in.
- 🐾 Just bring your puppy on a normal collar & lead (or harness) and loads of yummy treats.
- 🐾 We aim to illuminate the world of puppy/dog training, coaching you and your dog in a respectful manner.
- 🐾 Cost is £180 for 6 x 1 hour lessons.
- 🐾 To book your pup's place, contact us or go to our website.
- 🐾 Pay online, at the shop in West Molesey or bring payment to the first lesson.
