Grooming

Grooming for your pet is a very personal experience that should be rewarding not just for you as an owner, but especially for your pet. We know how important it is for your dog to feel totally comfortable during their groom so we aim to let your dog learn how to enjoy it. Our groomers are professional, experienced and confident in grooming a variety of breeds and cross-breeds.

Each owner and dog have specific requirements and preferences for how they would prefer the groom to look, from a breed specific cut to whatever style suits you, we try to meet your individual needs and preferences.

Through extensive personal and professional experience and qualification, we pride ourselves in being able to give each individual owner and dog personal and practical application of any training needs.

Training classes we offer:

- 1-2-1 start right puppy training

Behaviour Consultations

Our Behaviour consultations are tailored specifically towards the needs of you and your dog, whether your dog is anxious around new people, other dogs or new places, guards' toys, places or has separation anxiety, we can give you advice and guidance on how to work towards overcoming the problems that you are facing.

Daycare

Daycare is about looking after your dog in the same way we look after our own. We want to give your dog the opportunity to make friends as they please, for the environment to be stress free, to be able to run, sleep or play as they wish. At our daycare we make sure your best friend is able to make friends in a controlled and safe manner so that they enjoy being away from home.

We offer flexible daycare with either half days, full days or hourly bookings available. Collection and drop off can also be arranged upon request. Dogs on a full day of daycare will enjoy getting out and about on our private meadow.

The Meadow

The Meadow is a private dog exercise area comprising of 25 acres of meadow land plus two high fenced secure areas and a couple of smaller enclosures. We want you to be able to feel relaxed about letting your dog off lead or giving your dog exercise in a place dedicated just for dogs.

We offer both private and group bookings.
